Dear _____,

In recognition of your track record in research and publication, I wish to invite you as **Technical Reviewer** for the research proposal entitled “ ” which was endorsed to Research Development and Evaluation Center (RDEC) for funding.

As a technical reviewer, you are requested to perform the following:

- evaluate/review the proposal using the Proposal Assessment Form (PAF);
- return the reviewed proposal and the filled out PAF within fourteen (14) days starting from date of receipt of the same. However, if there is a need for you to extend the time to review, please inform us; and
- keep the reviews confidential and adhere to double blind reviewing protocol.

Your acceptance to this invitation is an index of your interest to help authors improve their proposals through constructive suggestions/recommendations that specify ways to fix major weaknesses of the proposal. In return and in grateful appreciation and acknowledgement of your valuable services for technically reviewing the project proposal, the RDEC shall award you **Certificate of Recognition and Two Thousand Pesos (Php 2,000.00) as incentives.**

We are looking forward to your positive response for a fruitful partnership in our common interest to deliver quality research in a global perspective. Attached herewith are the Project Proposal and Proposal Assessment Form.

Thank you very much.

Respectfully yours,

Coordinator, RPDU
